We sponsored a Corned Beef 'n Cabbage supper in March; town-wide garage sale/brat fry in April; and Town & Country Day in July. Flowers were planted in barrels on Main Street and the gazebo was decorated for Christmas. We received \$1,000 from Pepsi-Cola Co. so we purchased two benches and the town purchased a picnic table for the new park. Along with the town, Pride will be planting flowers, shrubs, bushes and decorative trees in the new park. We also need to get a name for the park. Thanks to all who have supported the Pride.
